General Motors Bankruptcy  
United States Bankruptcy Court  
For the Southern District of New York  
One Bowling Green  
Room 621  
New York, NY 10004

Dear United States Bankruptcy Court:

I am writing in objection of the Twenty-third Omnibus Objection to Claims for General Motors on behalf of Impact Group. We still have two outstanding invoices that have not been paid. They are invoice 126137 for \$38,207 and invoice 128794 for \$10,312. These are service programs and payroll hours that we provided for employees and their families. These were never paid by General Motors. I am attaching a copy of these invoices with my claim letter. Our claim number is 38928. General Motors requested our services for relocation and the use of our employees to provide the services. Please let this claim letter serve as our objection to the twenty-third Omnibus Objection for General Motors which is being heard on July 14, 2010 at 9:45 am. If you have any questions, please contact Kathy Spiegel at 314-453-9002 at extension 2532 or by e-mail at [kspiegel@impactgrouphr.com](mailto:kspiegel@impactgrouphr.com)

Sincerely,

A handwritten signature in cursive script that reads "Kathy Spiegel".
